

Date: 18/04/2010

Dear Ryan,

Thank you kindly for all the time and hard work you put into developing an insurance solution for my business.

As a start up company I faced a lot of challenges. You made the business insurance aspect easy. I found dealing with you a pleasure. You are responsive, and deliver to your word.

I look forward to a prosperous relationship going forward and I have already recommended you to a number of colleagues.

Kind regards

Kesh Baines
